About Pool Pro Office

Pool Pro Office is a complete pool construction and service/warranty management solution. Pool Pro Office enhances the management of pool construction by tracking and storing a wide variety of data.

Pool Pro Office allows the pool professional to:

- create/track permitting,
- create draw schedule,
- receive draw payments,
- create change order,
- receive change order payment,
- archive pool drawings,
- schedule construction events and
- log electronic communications (email, fax, notes, etc).

With these great features all in one easy to use software solution no pool professional will need to look for the pesky job folder that never has the needed information ever again.

Pool Pro Office is a cross platform (runs on Mac OS X and Windows 2000) networked solution that runs on FileMaker Pro 8.5, the award-winning database software from FileMaker, Inc.
