**Phoenix, AZ (P.A.C.E Conference) – October 9, 2006**

Pool Pro Office (<http://PoolProOffice.com>), a complete pool construction and service/warranty management solution that runs on both Mac and Windows has been released by Pool Pro Office, Inc. The new solution, demonstrated live for the first time publicly here at the P.A.C.E conference, makes the management of pool construction easy by tracking and storing a wide variety of data all in one place.

Pool Pro Office allows the pool professional to:

- create/track permitting,
- create draw schedule,
- receive draw payments,
- create change order,
- receive change order payment,
- archive pool drawings,
- schedule construction events and
- log electronic communications (email, fax, notes, etc).

With these great features all in one easy to use software solution no pool professional will need to look for the pesky job folder that never has the needed information ever again.

Pool Pro Office is a cross platform (runs on Mac OS X and Windows 2000) networked solution that runs on FileMaker Pro 8.5, the award-winning database software from FileMaker, Inc. The complete solution consists of five (5) FileMaker® Pro client licenses and one (1) FileMaker® Pro Server 8 license. The retail price for this package is \$9495 with additional client seats available for \$1295 each. Customization of Pool Pro Office is available at an additional cost.

Pool Pro Office is the collaborative effort of Link-Net, Inc. and Blue Marlin Pool of Brevard, Inc.
